Have your say about what Police and Fire services do.

Stephen Mold is the Northamptonshire Police, Fire and Crime Commissioner.

Stephen now runs the Fire and Rescue services as well as the Police services in the county.

Each service has a plan about what they do and how they think they will do it in the future. Stephen wants to ask you what you think about the plans and if anything is missing.

You can go on the website of the Police, Fire and Crime Commissioner to do a survey online but there is an easy read version that you can print out attached to this newsletter.

Please make sure you send your survey back to the address at the end of it by 4th March.

Reminder about the Northamptonshire Keep Safe Scheme

We thought it was a good time to remind you about the Keep Safe Scheme.

The Northamptonshire Police, Fire and Crime Commissioner runs the scheme with Northamptonshire Police.

The Keep Safe Scheme aims to support vulnerable people to keep safe and get help in an emergency when out and about in Northamptonshire.

You can apply for a Keep Safe card to carry with you when you are out and about. You can show it to someone if you need help.

You can find out more about the card and how to get one on the Keep safe website by pressing Ctrl on your keyboard and clicking your computer mouse [here](#)
